WORSHIPFUL MASTER

Brethren,

Worshipful Lindsey Shortland

I hope all are well and healthy during this once in a lifetime event.

We are still dark until further notice per the Grand Lodge. I am hopeful we will be able to meet again soon and resume our normal business by the June stated meeting.

We have a lot of catching up to do. We have two degrees that have been put on hold. Brother Sam Tapia will be getting his Third degree and Brother Avery Brinkley will be doing his First Degree return and being Passed to Fellowcraft. Hopefully all the officers have been keeping up on their rituals during these dark months.

Once we are back we will be doing the First Responders BBQ. The exact date will have to be announced later. This is a budgeted event and has become more important now than ever. It will be our turn to thank everyone from the Police, Fire, Sheriffs, Paramedics, Doctors, Nurses and all the support staff that have been on the front lines fighting this invisible enemy. Their sacrifices during this pandemic have been heroic. We can show our gratitude by having an all-day BBQ to make sure most of the shifts will be able to come by and have some great food and let us personally thank them for everything they have done for us and our country.

Thanks to Brother Justin DaSilva for hosting the Zoom virtual meetings. These have been great as we can see each other and have a few laughs. I know we all miss getting together but these online chats have something we all needed to keep in touch with our beloved Brethren.

Unfortunately we will be saying our Masonic farewell to Brother Duane Whaley when we are allowed to meet again. This true American hero and loved Brother passed away last month and the plans for his services have been put on hold, per the family, until this pandemic passes. The date will be announced as soon as I am informed.

For now, we can continue to stay safe and I encourage each and every one of you to make some calls to check up on each other. This dark time will pass and we will all come out stronger when this ends.

Fraternally,
Lindsey Shortland

Affected by COVID-19? Masonic Relief Is Here

Today, I'm proud to announce the Distressed Worthy Brother Relief Fund to help Masons who have found themselves in urgent need get back on their feet. For Masons who need a hand paying for groceries or medication, or those facing longer-term income instability, the Grand Lodge of California, the Masonic Homes, and the California Masonic Foundation are working together to provide access to local, state, and federal resources, offer direct funds, and assist in other ways. Despite the enormous effort being made by government and other organizations to provide benefits for those affected by the outbreak, for many, there will still be significant gaps to fill. The Relief Fund can help cover some of those gaps.

The COVID-19 outbreak has disrupted life in California. But it's also a golden opportunity for all of us, as Masons, to live up to the highest ideals of this fraternity. Being there for one another is the real legacy of California Masonry, and it's one we can—and must—take up today.

To learn more or to begin a Relief Fund application, visit the Masonic Assistance application page, call (888) 466-3642, or visit masonichome.org. To donate to the Relief Fund, visit the California Masonic Foundation online, or call (415) 292-9117.
